

# Comprehensive Corporate Benefits Documentation

**Document ID:** BEN-2026-V1 | **Effective Date:** January 1, 2026 | **Target Audience:** All Full-Time Employees

## 1. Health & Wellness Insurance Framework

InnoCorp Solutions provides robust health, dental, and vision insurance coverage options to ensure the physical and mental well-being of our global workforce. All full-time regular employees working at least 30 hours per week are eligible for enrollment.

**Enrollment Windows & Lifecycles:** New hires must complete their benefit elections via the corporate portal within exactly **30 calendar days** of their official start date. Coverage becomes retroactively active from Day 1. Existing employees may only modify their plan elections during the Annual Open Enrollment period (typically held every November) or within 30 days of experiencing a Qualifying Life Event (QLE) such as marriage, birth, or adoption.

## 2. Retirement Savings & 401(k) Match Matrix

To assist employees in securing their financial future, InnoCorp Solutions offers a highly competitive 401(k) retirement plan with an automated corporate matching structure. Employees can contribute pre-tax or Roth dollars up to the IRS regulatory limits.

| Employee Contribution Rate | InnoCorp Corporate Match        | Vesting Schedule        |
|----------------------------|---------------------------------|-------------------------|
| First 3% of Base Salary    | 100% Match (Dollar-for-Dollar)  | Immediate (100% Vested) |
| Next 2% of Base Salary     | 50% Match (0.50 USD per Dollar) | Immediate (100% Vested) |
| Contributions Above 5%     | 0% Match (No additional match)  | Immediate (100% Vested) |

*Note: The maximum corporate match capped value is 5% of the employee's total annual base compensation. All corporate matching dollars are immediately 100% vested from the deposit date.*

## 3. Educational Assistance & Tuition Reimbursement

InnoCorp strongly supports the continuous professional development of its workforce. Full-time employees who have completed at least **6 consecutive months of service** are eligible to apply for the Tuition Reimbursement Program.

**Funding & Grade Criteria:** The program covers up to a strict maximum cap of **\$5,250 USD per calendar year** for tuition, required textbooks, and lab fees associated with pre-approved degree programs or professional certifications at accredited institutions. Reimbursement payouts are strictly contingent upon achieving a **Grade**

**'B' or higher** (or a 'Pass' in pass/fail grading models). Applications must be submitted via the HR platform 14 days prior to course commencement.

## 4. Lifestyle Perks, Stipends & Wellness Perks

To foster an ergonomic, modern work environment and promote proactive lifestyle management, the organization offers several subsidized perks:

- **Home-Office Ergonomics:** A one-time baseline allowance of up to **\$500 USD** for remote or hybrid employees to acquire ergonomic desks, task chairs, or approved peripheral equipment.
- **Monthly Wellness Subsidy:** Up to **\$75 USD per month** reimbursed for physical gym memberships, specialized fitness classes, or corporate-partnered mental wellness applications.

## 5. Benefits Administration FAQs

**Q: Can I change my health insurance plan tier halfway through the year if I buy a house?**

A: No. Purchasing a home is not classified as an IRS Qualifying Life Event (QLE). You must wait until the Annual Open Enrollment window in November to make structural adjustments to your plan.

**Q: If I exit the firm, what happens to my educational assistance if I am currently in a class?**

A: To receive a tuition reimbursement payout, you must be actively employed on the date the reimbursement check is issued. If you separate from the company prior to compliance verification, the funding allocation is forfeited.
